# KALYADA LEOSRISOOK (PAT)

*Frontend Developer*
Kalyada.L@outlook.com | LinkedIn | Github

## PERSONAL SUMMARY

I am an IT Support professional with a degree in Computer Science from the University of Birmingham, UK. Currently working at a small auto repair company, my responsibilities involve troubleshooting technical issues within the company. I have gained experience in front-end development through building personal projects using HTML, CSS, JavaScript, SASS, ReactJS, and Git. I am currently expanding my skill set by learning and working with Next.js, TypeScript, and MongoDB.

## EDUCATION

**University of Birmingham**                                                          Birmingham, England
*Bsc(Hons) Computer science*                                                            *Sep 2017- July 2020*

**Bellerbys College**                                                                     Brighton, England
*Computing Foundation year*                                                             *Sep 2016 - June 2017*
